Build God's Kingdom Here!

From the Office:

Hi TCS community. My heart surgery has been rescheduled for Feb. 2. Gayla and I certainly appreciate the support received over this long period of time. Cards and emails from students, fruit baskets delivered by the board chair, prayers, and visits have gone a long way to help us stay patient and optimistic. Gary Postma

Celebration of Learning: On Wednesday, January 25 from 1:30-3:30 we are opening the doors and inviting you to come in and see what students are learning. Grade 1-2 students will be performing French plays. Grade 6-8 students will have displays and activities set up about the Renaissance. Kindergarteners will be teaching you about life in the rainforest. Grade 3-4 will be playing Math games with you. Plan to come out and invite your friends and family along. Invitations are available in the office. Come and celebrate the learning that happens here at Timothy every day!

Electives: We began our electives this past Friday. Please read this article by the Ontario Alliance of Christian Schools to see what the students are learning. <http://www.oacs.org/2017/electives-as-community-learning/>

This is a friendly reminder that we **begin the school day at 8:50** each morning. Please ensure that students arrive at school early enough to have time to make their way to the classroom and be ready to begin punctually.
