Wired for Joy!

“I have told you this so that my joy may be in you and that your joy may be complete.”

John 15:11

From the Office:

“But I trust in your unfailing love; my heart rejoices in your salvation. I will sing the LORD’s praise, for he has been good to me.” Psalm 13:5-6

Peek of the Week: The students in Grade 3-4 led us in chapel, teaching us about the Judges and also amazing us with their bell playing. If you want to see more of their chapel, take a minute to read our **recent blog post:**

Pray for Dennis Wubs and his family. Please lift up the Wubs family in your prayers as Dennis continues to be in a lot of pain.

Report Cards are going home this Friday.

Fab Friday: This Friday, November 30 will be Season Day! For this dress up day, you can dress as you would for your favourite season - Winter, Spring, Summer or Fall! Hats & mitts, rubber boots & rain coat anyone? Or, you can dress up like something from your favourite season - a snowman, a pile of leaves?

This Friday is also Hot Dog day.

Chocolate bars and coffee sale: The sale continues and we have 15 boxes left! Please send in money for the boxes as they are sold. If you are unable to sell the whole box, please return it to school so that someone else will be able to sell it. All **chocolate bar sale money is due** into the office by **Friday, December 14**. All **coffee sales are due** to the office by **Monday, Dec 3**. Thanks for your hard work in making these fundraisers a success.

Winter Electives: Again, this January we will be offering winter electives for the students in Grade 3-8. Right now we are in the planning stages and are putting together some ideas. If you have some expertise and might be interested in volunteering please let us know, so we can consider how it would fit into our elective plan this year.

Morrisburg Santa Claus Parade: This Saturday, December 1st is the Santa Claus Parade. We are participating with volunteers from Timmy's Place on an amazing float. The float will look like a present from one side and the other side will be the nativity scene, as the birth of Jesus is the best present ever. If you are able to come out, we are meeting in the Canadian Tire parking lot at 10:30am. The parade begins at 11am. Please have your children come dressed as shepherds or angels. We look forward to a wonderful time together to bless the community.

Timmy's Place is looking for volunteers. Timmy's Place is a huge support to the school. This year they have committed to give \$70,000 to the school! They cannot do what they do without many volunteers and they are currently in need of more volunteers. If you are able to give even just a few hours a month to this amazing place, please contact the store:

Save the date for our Christmas Musical Program coming up on Wednesday, December 19 beginning at 7pm in the evening. We will also be doing a repeat performance with tea on Thursday morning (December 20). Our Dress rehearsal will be on Monday, December 17, beginning at 2pm.

Your Voice is Important: The Ontario government has launched a process of unprecedented public consultations regarding education in our province. Independent school supporters are keenly interested in what is best for the education system in our province, and government representatives have repeatedly said that they want feedback and from the independent school sector. **Let's be part of this conversation!** Please take a look at the opportunities to participate and share the word broadly. This ends on December 15, and after the consultations, policies that will affect education in this province—policies that will affect our sector—for years to come will be written. More information and feedback options can be found at: www.fortheparents.ca.

From the Classrooms:

Grade 8

Music: On Sunday, December 2, we will be leading the worship at The Gathering House. You will get an email today with more details about this. We are excited to have this opportunity!

Math: We are moving into patterning and algebra. Some students have a few decimal pages to finish and hand in on Tuesday. Jump Math pages 92-96, and the online Mathspad Sequence finder sheet need to be done for Wednesday.

Science: We are looking into water this week and will be marveling at God's amazing design!

News Article – *Is this the New Normal* due Tuesday.

Writing with Coherence worksheet due Tuesday.

Read Independent Novel.

History: Test on **Friday**. We will be reviewing in class all week. Presentation marks and rubrics from last week's presentations are going home Tuesday.
