EDUCATIONAL CREED OF TIMOTHY CHRISTIAN SCHOOL

We believe that the Lord God, by giving us the Scriptures, has revealed to His people ordering principles relevant to education, and mandates all of us to bring His Word to bear in the area of education.

We confess that:

1. **LIFE:** human life in its entirety is religious, since God created men and women to serve Him everywhere. This requires us to educate our children for His Service.
2. **BIBLE:** the Bible as the written Word of God is the Truth by which the Holy Spirit enlightens our understanding of God, ourselves and the world, and the infallible authority by which He directs and governs all our activities, including the education of our children.
3. **CREATION:** we can understand the world rightly only in its relation to God, because the world, in its origin, gracious preservation and ultimate restoration, is the work of the Triune God.
4. **HUMANITY:** we were created in the image of God to enjoy covenantal fellowship with our Creator and were instructed to exercise dominion over the world in strict and loving obedience to God and to interpret all reality in accordance with His design and law.
5. **SIN:** sin is disobedience of God's law and that we, by sinning, became estranged from God and brought His curse upon the creation.
6. **JESUS CHRIST:** through our Saviour, Jesus Christ, there is renewal of our educational enterprise because He is the Redeemer of, and the Light and the Way for, our human life in all its range and variety. Only through Him and the work of His Spirit are we guided in the truth and recommitted to our original calling.
7. **THE KINGDOM OF GOD:** the Kingdom of God is His present and future reign through Jesus Christ. This reign of grace and power makes education possible and meaningful. In obedience to Christ we submit in every area of life to His commandment to love the Lord with all our heart and mind.
8. **PURPOSE OF EDUCATION:** the purpose of Christian education is to direct and guide the child to commit his or her heart to Christ, to strive for understanding, wisdom and righteousness, and to perform his or her competent and responsible service to

the Lord in church, state and society.

9. **PARENTS:** God has given parents the responsibility to nurture and educate their children. Therefore, Christian parents should establish and maintain Christian schools.
10. **THE STUDENT:** the student as child, entrusted by God to parents, needs instruction and correction. Children of the Christian home share in the promises and demands of the Gospel. Therefore, they ought to receive Christian education.
11. **THE TEACHER:** Christian teachers, both in obedience to God and in co-operation with parents, have a unique responsibility in the development and education of the child.
12. **THE CHRISTIAN SCHOOL:** the Christian school, established and controlled by a society of Christian believers, in accordance with legitimate standards and provisions, possesses the freedom to function in education in total and voluntary submission to Christ the King.
