Love God. Love Others.

*Love the Lord your God with all your heart
and with all your soul and with all your mind.
This is the first and greatest commandment.*

*And the second is like it:
Love your neighbor as yourself.
Matthew 22:37-39*

From the Office:

Peek of the Week: We meet each Friday with our Kingdom Building Groups. Last Friday, each group created a heart for our theme bulletin board. We thought about how much God loves us. He has created everyone unique and we can use what we love in order to show love to others. If you want to know more, take a moment to read our [recent blog post](#)

Mrs. Amy Daye continues to recover at home from her surgery. Please keep her in your prayers as she heals. We pray for complete healing and that she is able to return to school soon.

Last week we attended the **100 Men who Care for South Dundas**, presenting the outdoor shelter project that was the vision for community from Dennis Wubs. We were thankful to have the opportunity to share information about the school, Dennis' vision and the testimony of Dennis' life. There were a lot of worthwhile projects presented and the winning projects were to purchase a lift for the Winchester Memorial Hospital and to buy some water bottle filling stations for the Morrisburg and Iroquois waterfront parks. It was a wonderful evening and we are encouraged to be a part of such a caring community.

Winter Electives are coming. Every January and February we offer electives to the students in Grades 3-8. For 5 Friday afternoons (Jan 10, 17, 31, Feb 7, and 14) the students take some time to learn something new. We have some amazing electives lined up and the students will

receive their choices by the end of November. This year we have invited homeschooling students to join us and we look forward to building community and learning something new with people outside our school community. A huge thank you to everyone who will be volunteering their time to make electives happen. If you wish to help out during electives, even if you can just come for one or two Friday afternoons, please let the office know.

Save the date for our **Fall Membership Meeting on Thursday, November 28**. Please note that the meeting will begin at **7pm** and you are all invited. During the meeting we will spend some time thinking about the mission and vision of the school and working on our core values. You won't want to miss this important meeting!

Friday, November 29 will be a PD Day for teachers to work on Report Cards. The school will be closed that day. Report cards will go home the following Friday, December 6.

We have started working on the **Christmas Musical!** It's called CAKE - Christmas Acts of Kindness Experiment. There will be 3 opportunities to see the performance:

- Monday, December 16 at 2pm (Dress Rehearsal)
- Wednesday, December 18 at 7pm (Evening Performance)
- Thursday, December 19 at 10am (Tea and Theatre Performance - RVSP required)

As winter is upon us, it's time for **sleds and tobogganing** at school. We have a number of school sleds that the students can use, and they are welcome to bring their own sled from home to leave at school. Please do not send any GT sleds, as we don't have the space to store those. The sleds will be kept outside in the deck box, so send sleds at your own discretion:) We could use a bigger storage box outside. If there is anyone who would be able to build us a storage box, just let the office know. Thanks!

With the snow falling, it is also the time of year for **snow days**. It is a snow day when the buses of the Upper Canada District School Board are cancelled because of bad weather. Please check the Student Transportation of Eastern Ontario [website](http://www.steo.ca) (www.steo.ca) if the buses are running. Our Inclement Weather image is found on our homepage and links directly to the STEO website. The school will remain open for those families who would like to bring their children and are able to do so safely. Attendance will not be taken, and no new content will be taught on those days. If you have any questions, please contact the school.

Snow is here! With that, we are learning about dressing warmly and taking care of our winter clothing. Please send your student with snow pants, mittens, boots, a toque, and a winter coat. Our big buddies from grades 5-7 are helping us to get ready before and after recess. We also have a 'zipper club' to celebrate our students who are able to zip up their coat on their own! Students will have the opportunity to join the zipper club throughout the winter as they learn and grow.

Math: We are continuing to focus on numbers 6-20. This includes writing the number and showing 1:1 correspondence. Any practice you can provide is beneficial!

Show and Tell: Show and tell continues this week. The students can bring in one special item to share on their assigned day. It should be able to fit in their backpacks. They will also be the leader on that day.
